Canadian and international politics

Grade 12 · Answer Sheet C

Name: _____

Date: _____

Part 1

1. **c) Nova Scotia** — Which colony was the first to win responsible government, in 1848?
2. **d) The cabinet must keep the confidence of the elected assembly** — What does responsible government mean?
3. **c) An armed attack on one member is treated as an attack on all** — What does Article 5 of the North Atlantic Treaty say?
4. **d) Karl Marx and Friedrich Engels** — Who wrote The Communist Manifesto in 1848?
5. **b) John Humphrey** — Which Canadian wrote the first draft of the Universal Declaration of Human Rights?
6. **c) The seating in France's National Assembly in 1789** — Where do the political terms "left" and "right" come from?

Part 2

3 — Canada is a founding member of NATO (1949)

1 — Nova Scotia, then the Province of Canada, win responsible government (1848)

5 — The UN World Summit endorses the Responsibility to Protect (2005)

2 — The UN adopts the Universal Declaration of Human Rights, first drafted by John Humphrey (1948)

4 — Canada joins the summits that become the G7 (1976)

Part 3

Pick one issue, such as Arctic sovereignty or foreign aid, and explain how two different stakeholders might see it.

A good answer mentions: A good answer names two real stakeholders (for example a federal government, Inuit organizations, another Arctic state, a business, an NGO, taxpayers, people in a country receiving aid), states what each wants and why, and uses the concept of political perspective. It separates facts from opinions and says what evidence would help decide.
